

General Sales Tax Information

Resellers are liable for sales taxes for items that they sell in a state if the business is "physically present" within a state. Boxercraft is located in Georgia, but also has a nexus in Alabama, Tennessee, & Florida; therefore we are obligated to collect sales tax on orders shipping to those states unless some type of exemption from sales tax applies to the transaction.

- If your company IS NOT located in Georgia, Alabama, or Tennessee, but plan to drop ship to one of these states, please send us a copy of your state exemption certificate.
 - Florida will not accept out of state exemption certificates for items shipped into Florida by an out of state purchaser. If your company does not reside in Florida, you must provide a Florida Annual Resale Certificate or agree to pay sales tax on orders shipping to Florida.
