## ADDING STOCK TEE TRANSFERS TO TOPS

You must be logged in to [www.boxercraft.com](http://www.boxercraft.com) to add a stock tee transfer to a top.

Once logged in, find the product you would like to add the stock tee transfer to. Stock tee transfers can only be added to T15s, T21s, T05s, and T85s.

On the product page, click the *Add Embellishment* button located below the price table. This will open the Embellishment Wizard.

On the Embellishment Wizard, click the Stock Print option.

Select your desired location of the stock tee transfer, front center chest or inverted hem.

After choosing your location, select the tee transfer design you would like to add to your top by selecting the button next to your choice. To preview the tee transfer, click on the print's name.

## EMBELLISHMENTS | STEP 4 OF 5

Pick a print or pattern for this location:

Individual Tee Transfer

Great on white or dark tees!

- Let us imprint onto our garments (min 12, ship in 5 working days) or just order transfers (min 6, same day ship).
- Applies with standard heat press.
- White design is white ink, not transparent.
- To order applied, browse to the top you want it applied to and click the "Add Embellishment" button and select "Stock Print".
